WELCOME

We are excited to offer programming for the 2017-2018 academic year. LS AfterCare and Enrichment (ACE) are programs that take place after regular school hours as well as some days during the year when school is not in session. Our extended day program includes AfterCare and Enrichment Elective Classes that extend learning beyond the regular school day, bridging the gap between school and home. The variety of activities offered are creative, educational, and fun and give students the opportunity to try something new, pursue their interests, and develop their talents further in a safe and nurturing environment. The ACE program is built on our core mission: "As a community of learners, Dwight-Englewood School strives to foster in each student a passion for lifelong learning." Our extended day community of educators and staff includes our own faculty and staff, as well as instructors, student volunteers, and coaches from other organizations in the area.

Registration for the 2017-2018 Season will be available soon. Please visit de360.d-e.org to register. If you have any questions, please call 201-227-3144 or email de360info@d-e.org

BASKETBALL

- Monday
- Grades: Kindergarten-3rd Grade
- Instructor: T2S Basketball Academy

Learning basic rules, concepts, court layout, and player positions is great fun for this age group. The rules of basketball are fairly easy to learn. However, for the younger players, some rules can be easily forgotten. We'll develop beginning skills and application of the rules of the game through active play. Each session will also cover ball handling, proper shooting technique, footwork, and defensive/offensive strategies. Coaches will focus on individual skills as well as team play in a fun and nurturing environment.

CHESS CLUB*

- Wednesday
- Grades: Kindergarten-5th Grade
- 1hr. 15 min. class
- Instructor: Saudin Robovic (Owner and Instructor of NYChess Kids)

NYChessKids is one of the largest youth chess programs in the tri-state region. Their mission is to spread the love of the game as well as develop a child's mind with advanced logistical gaming skills. Come explore the foundations of chess strategy. Chess is a fun way to improve skill in planning, critical thinking, pattern recognition, and general learning aptitude. This class offers many opportunities for collaboration, encourages sportsmanship, confidence, and goal setting in a supportive learning environment. *Cost of Chess Club class is \$550.

CODING BASICS

- Wednesday
- Grades: 3rd-5th Grade
- Instructor: Chris Fleischl (Dwight-Englewood Technology Faculty)

Children will learn how to code to create games, stories and animations using Scratch and other programming Apps for the Ipad. This class will be fun, engaging, and interactive as students learn basic programming language and develop a foundation for technological explorations.

FLAG FOOTBALL

- Friday
- Grades: 1st-3rd Grade
- Instructor: James Byrne (Athletic Director for DE Summer Connections)

Calling all boys and girls. Do you love to play football? Come join us for this fun athletic

challenge to learn the rules of football without tackling your opponents. Your child will learn basic strategic elements of the game while running, improving motor skills, refining agility and learning

FENCING

- Friday
- Grades: 2nd-5th Grade
- Instructors: Durkan Fencing Academy

The Academy was developed by Olympic Fencing Coaches and exercise physiologists, to provide the most safe and effective fencing training. For beginners, this class will introduce students to the basics of sabre, epee and foil. Each class includes: warm-up, stretching and weapon specific drills in foil, epee and sabre. *Equipment Rental Included. Please note, the class time for this class is 4 - 5:20 PM and the cost is \$550.*

ROBOTICS

- Tuesday
- Grades: 1st-5th Grade
- Instructors: Christine Nicolau and Chris Fleischl (Dwight-Englewood Technology Faculty)

Come use your imagination to build, design and animate objects. In this class, children learn to build and program birds that turn and sing, an alligator that opens and closes its mouth, a drumming monkey and more. ***All materials are included in the cost of the program.*

RUNNING CLUB

- Tuesday
- Beginner level
- Grades: 3rd-5th Grade
- Instructor: Michael Rodenbush (DE 4th Grade Teacher) Tuesday
- Thursday
- Intermediate-Advanced levels
- Grades: 3rd-5th Grade
- Instructor: Ronda Sowa (DE 4th Grade Teacher) Thursday

Running Club is a fun way to make new friends, set attainable goals, build stamina and endurance, and be a supportive team member, while exploring the beautiful Dwight-Englewood campus. With teamwork and encouragement, children set personal and team goals daily, monitor their progress and feel a sense of pride as they achieve those goals. Some children aim to complete a 5K! Children and families are welcome to register for local 5K races that Ms.

Sowa is able to run, to guide and encourage them to reach their goal. Happy Running!

SEWING

- Grades: 2nd-5th Grade

Learn the basics of hand sewing, and make your own monster backpack or mini-me! We will start with sewing funky patches, including special circuit patches, and work your way to creating your own specially designed backpack or doll. No experience necessary.

TENNIS

- Tuesday, 3:00 to 3:45 PM
- Beginner level
- Grade: Preschool
- Tuesday, 4:00 to 5:00 PM
- Intermediate-Advanced levels
- Grades: Kindergarten-5th Grade

In partnership with Tsoiak Gevorkian and his coaching team, D-E 360° is introducing a Tennis Academy to the ACE 2017-2018 offerings. For beginners, students will enjoy the basic activities and games designed to facilitate the movement and positioning tennis requires as well as to develop an understanding of how to compete and score through games with simplified scoring. For Intermediate level players, the second stage for the younger players focuses on stroke and more advanced skill development. Shot control and point building is introduced during games as well as technical and tactical aspects of the game.
