

WELCOME TO WINTER 2018!

Dear Lower School Parents,

Every season with D-E 360° AfterCare & Enrichment (ACE) holds an opportunity for fun learning, new discoveries, and skills building. This Winter 2018 we're featuring more sports and movement classes as well as more offerings at all age ranges, including a book club, Fantasy Sports (and Wiffle Ball!), visits from animals, and athletic instruction in the gym taught by experienced varsity-level coaches. We've expanded the range of programs included in AfterCare (Clubhouse), as well as deepened the specialized, premium programs offered as Enrichment. Whether your child is looking for a playdate experience, or an educational opportunity to pursue new interests and develop talents, you'll find it right here on campus.
