

Dear Lower School Parents,

The warmer weather and longer days provide us with the opportunity to get out, chase our curiosity, and get moving! This Spring is a time to build on our programs and introduce some exciting, new AfterCare (Clubhouse) offerings and Enrichment classes in the arts, sports, robotics, financial literacy, and more.

AfterCare (Clubhouse) offerings, such as Homework Club, Snackactivities, Crafts, Zumba, and others, are single-session programs where drop-in attendance is encouraged. Parents who enroll their child for a full term of drop-in may reserve a place in these programs through the Director. They are first come-first serve. For more details on AfterCare (Clubhouse) please see below.

Meanwhile, our Enrichment classes build upon foundational knowledge and must be taken consecutively, for the 10-week term. For more details on our Enrichment classes, see next page.

With so many reasons to learn, dabble, explore, and create, we truly hope you become part of D-E 360° ACE. Online registration is open now.

Questions? Call 201-227-3144, email de360info@d-e.org or visit us in the Lower Level of Leggett Hall, Room 01.

See you soon!

Dr. Sherronda Brown
Director, D-E 360°

Sharon Keigher
Program Director, ACE

PAYMENTS AND REFUNDS

All registration information can be found online under "D-E 360 – LS AfterCare & Enrichment (ACE)." There you will find specific sections for enrollment, registration, fees and schedule information. All payments will be billed through the Dwight-Englewood Business Office. All payments must be made prior to the start of the term. There are no refunds for Enrichment Classes. Fees for offerings added after the beginning of the term will be prorated. Additional information regarding policies can be found on our website: de360.d-e.org.

ENRICHMENT SPRING TERM 2018 CLASSES

Monday, April 2 - Friday, June 7, 2018

FOR MORE INFO, VISIT US ONLINE @

de360.d-e.org

Enrichment classes are offered each day in addition to ClubHouse (AfterCare) for Preschool – Grade 5. Many Enrichment classes are taught by instructors who are partnering with D-E 360° and represent various, cultural, and/or sports organizations. See below for schedule and details.

ENRICHMENT CLASS ENROLLMENT/REGISTRATION & FEES:

- All Enrichment classes have a minimum and maximum enrollment. Classes are enrolled on a first-come, first-served basis. Enroll early so that your child gets his/her first choice. If minimum enrollment is not met, the Enrichment class will be closed and you will be refunded.
- Enrichment class fees range from **\$450 - \$550 per child**, per class, as noted here.
- The Enrichment class fee includes AfterCare(ClubHouse) activities for your child(ren) during the day(s) of the Enrichment class only.

ENRICHMENT CLASS DAILY SCHEDULE

MONDAYS:

- Advanced Art (Grades 3-5)
- PreTeam Sports & Cardio (Grades K-2)

TUESDAYS:

- Tennis (Section 1: PreK-K; Section 2: Grades 1-3)
- Robotics (Grades 1-5)
- Running Club (Grades 3-5)

WEDNESDAYS:

- Chess Club (Grades K-5)
- Coding (Grades 3-5)
- Naturalists & Animals (Grades K-3)
- T2S Basketball (Grades 3-5)
- Flag Football (Grades 2-5)
- Kidz Theatre (Section 1: Grades 1-2; Section 2: Grades 3-5)

THURSDAYS:

- Stick Sports (Grades K-2)
- Visions of America (Grades K-2)
- Graphic Novels (Grades 3-5)
- Running Club (Grades 3-5)

FRIDAYS:

- Fencing (Grades 2-5)
- Cartooning 101 (Grades 1-4)

ENRICHMENT CLASS DESCRIPTIONS:

→ADVANCED ART

\$450 + \$50 MATERIALS FEE (GRADES 3-5)

Melissa DeJesus welcomes students who are serious about art to learn the foundations of visual thinking and drawing techniques, as well as watercolors and ink.

→CARTOONING 101

\$450+ \$50 MATERIALS (GRADES 1-4)

Students will learn how the simplistic form of cartooning exaggerates real life. Led by Melissa DeJesus, anatomy, expressions, and gestures will be explored and developed to bring characters to life. Fans of manga and “kawaii” also welcome.

→CHESS CLUB

\$550 (GRADES K-5)

Chess is offered at two developmentally appropriate levels in a double classroom. Our younger students are in one classroom with Katia while more sophisticated students study and play directly with Chess Master Saudin. Both come from the highly regarded NYChessKids program. Players will be invited to play inter-school tournaments in Manhattan.

→CODING

\$500 + \$50 MATERIALS FEE (GRADES 3-5)

Code-makers will create games, stories, and animations using Scratch and other programming apps for the iPad. Taught by Chris Fleischl, students learn basic programming language and develop a foundation for tech exploration.

→FENCING

\$550 (GRADE 2-5)

Sabre, epee, and foil are all explored in this program developed and coached by Durkan Fencing Academy, Home of Division 1 Men's Foil National Championship Team. New students will receive a solid introduction to Fencing. Returning students will continue to refine their skills.

→FLAG FOOTBALL

\$450 (GRADES 2-5)

James Byrne is back to teach the basics of Flag Football and get students running, catching and throwing the pigskin. The emphasis of this class is to get a good game up and running for the full hour. No prior experience is necessary.

→GRAPHIC NOVELS

\$450 + \$50 MATERIALS FEE (GRADES 3-5)

Led by accomplished artist and graphic novelist, Melissa DeJesus, students will learn how to tell a story in the form of a graphic novel and create their own mini comic.

→iPIGGiBANK

\$550 (GRADES 1-5)

iPiggiBank Money Management for Kids is a hands-on financial literacy program to start students on the path to lifelong healthy financial habits. They will learn to save, earn, share, budget and shop wisely through multi-sensory learning modalities.

→KIDZ THEATRE

\$550 (SECTION 1: GRADES 1-2 /SECTION 2: GRADES 3-5)

Drama comes alive through theatre-games, role playing, Young actors will learn to use facial expressions, voice and body movement to act.

→NATURALISTS & ANIMALS

\$450 (GRADE 2-5)

Environmental Educators from Tenafly Nature Center will share their knowledge about the natural world through; animal ambassador visits, seasonal observations, artifacts, and a journey through life cycles, habitats, and adaptations.

→PRETEAM SPORTS & CARDIO

\$450 (GRADES K-2)

Varsity Coach Kim Franco will introduce seasonal sport skills such as; baseball basics (catching, throwing, batting, base running), team kickball, track races (starts, handoffs) and field games. Each class will have a very active cardio play component.

→ROBOTICS

\$550 + \$50 MATERIALS FEE (GRADES 1-5)

Doctora Collado and Chris Fleischl teach students to apply basic engineering and programming skills by designing, building, and operating robots. Through experimentation with tools such as Legos and indoor drones, students will move at a pace appropriate to their level.

→STICK SPORTS

\$450 + \$25 MATERIALS FEE (GRADES K-2)

Varsity Coach Kim Franco continues to build a team of players who know how to handle sticks, understand positions, and play as a team. Hockey, field hockey and lacrosse will be introduced. Personal safety equipment (e.g. goggles, shin guard) are provided.

→T2S BASKETBALL

\$550 (GRADES 3-5)

“T2S” stands for “Train to Succeed.” According to coaches Larry Umana and Nathan Lopez, T2S Basketball Academy was created with a goal to provide a performance-based and skills development training program to help athletes excel in all aspects of the game.

→TENNIS

\$550 (SECTION 1: PREK-K /SECTION 2: GRADES 1-3)

Offered in two developmental sections: PreK & K, and Grades 1-3, Tsolak Gevorkian teaches basic activities and games designed to facilitate movement and positioning. More advanced players focus on stroke and skill development.

→VISIONS OF AMERICA

\$450 (GRADES K-2)

Ms. Madison covers American history with age appropriate materials and discussions on topics such as Declaration of Independence, History of the Statue of Liberty, Citizenship, Ellis Island, Famous American men and women: Susan B. Anthony, Rosa Parks, The US Presidents, Branches of Government, The Pledge of Allegiance.
