Testimonials:

"The month of July was the greatest month of my life. I learned a lot of Spanish in my classes, navigating the streets of Salamanca, and also life in the dormitories. Although the cities we visited were nice, Salamanca was my favorite. I can say that my personality and my character changed during the month of July."

Sherief Alaa Elrafei '20

"Now that I'm back at home, when I reflect on my time in Spain, I don't have anything [negative] to say. It taught me to be a more loving and open person, it taught me to appreciate knowing a place for your culture and history. I'm very grateful for being able to go on this trip and I know that I will [practice] these lessons in my life."

"This trip taught me about Spanish culture and language, and it connected me better with my family and my own heritage."
