*Classes noted in **bold** indicate an Enrichment Class.

The D-E 360° AfterCare & Enrichment (ACE) Team is delighted to share our Early Childhood structured activities with you! This chart does not reflect our less structured exploration time, which includes:

- Outside active play with tricycles and on the field (weather permitting!)
- Snacks (long days make us hungry!)
- Class exploration of blocks, books, and lots of arts & crafts!

All children will participate in activities that are not in bold.

The activities in bold are enrichment activities and have a separate registration. Students enrolled in enrichment participate in everything else offered, from dismissal from school to pick up. Enrichment students are automatically enrolled in AfterCare, and may stay with us right up to our last pick-up at 6:15.

Questions and suggestions are always welcome! Please send an email to Director Sharon Keigher at keighs@d-e.org!

Here's to a wonderful year for our youngest Bulldogs!
